Dr. Andrew Franklin

## **Dr. Sheila Noroozi, ABFAS, FACFAS**

**Dr. Sheila Noroozi** is from Terre Haute, Indiana. She attended Indiana University where she received a BS in Biology with a minor in Psychology. She then received a Masters Degree in Biomedical Sciences from Barry University in Miami, FL. She completed her Doctorate at Scholl College of Podiatric Medicine in Chicago, IL. She then completed an intensive surgical residency at Michael Reese Hospital in Chicago, IL and she is now board certified by the American Board of Foot and Ankle Surgery. Dr. Noroozi moved to Ocala, FL in 2004 and was able to start her own practice. She is proficient in everything from wound care and diabetic patients to complex surgical cases. She has many loyal patients who have been with her since her start here in Ocala. Dr. Noroozi is married to an Ocala native, Scott Morningstar, who is currently a Registered Nurse pursuing his Nurse Practitioner degree. They have been happily married since January of 2008 and were blessed with a baby boy, Carter, in 2014 and baby girl Chloe in 2016.

**Dr. Kathleen Telusma** grew up in Orlando, FL. She remained in Orlando for her college education where she received a BS in Molecular Biology and Microbiology from the University of Central Florida.

She went on to continue her medical education in Philadelphia, PA at Temple University where she earned her Doctorate in Podiatric Medicine. Dr. Telusma went on to finish her medical training by completing her surgical residency at the Atlanta VA Medical Center.

She is Board Certified by the American Board of Podiatric Medicine and enjoys treating a variety of foot and ankle conditions including those involved with dermatology, wound care, bunions, hammertoes and heel pain.

## **Dr. Kathleen Telusma, AACFAS, ABPM**

**Dr. Andrew Franklin** is from Essex, UK. He earned a 1st class Masters degree in Chemistry from the University of Exeter (UK) in 2002, and a Ph.D in Organic Chemistry from the University of Sheffield (UK) in 2007. From 2007-2010 he performed Post-Doctoral Research in Organometallic Chemistry at Florida State University, Tallahassee, FL. Dr. Franklin then attended Kent State University School of Podiatric Medicine, Cleveland, OH receiving a Doctor of Podiatric Medicine Degree in 2014, and then completed a 3 year foot and ankle Podiatric Medicine and Surgery Residency at Mercy Health Foot and Ankle Residency, Cleveland OH.

Dr. Franklin is ABFAS board forefoot and rearfoot qualified and enjoys practicing in all areas of podiatry including diabetic preventive care, wound care, forefoot and rearfoot surgery. He is married with two young boys, and returns to Ocala to be closer to his family. In his spare time, he enjoys spending time with his family, running, reading and cooking.

## **Dr. Andrew Franklin, DPM, Ph.D**
